**Subject:** Draft QAPP addendum for measuring PCBs in the Spokane River

## Draft QAPP addendum for measuring PCBs in the

The Department of Ecology has completed a draft Quality Assurance Project Plan (QAPP) addendum and... This draft addendum is for the plan, "Measuring PCBs in Biofilm, Sediment, and Invertebrates in the Spokane River," which focuses on biofilms on the Spokane River that is being planned for summer of 2019.

Please click on the link below to access the addendum:

[https://www.ezview.wa.gov/site/alias\\_\\_\\_1962/view\\_our\\_committees\\_spokane\\_river\\_technical\\_assistance\\_](https://www.ezview.wa.gov/site/alias___1962/view_our_committees_spokane_river_technical_assistance_)

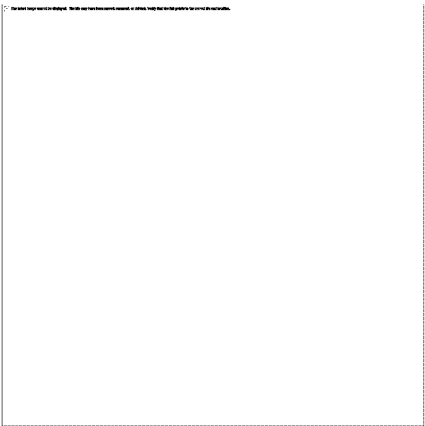

Task Force members and contracted technical review teams may provide comments to this draft until July 15, 2019. Contact swon461@ECY.WA.GOV for more information.
